**Note from the President:**

Once again our Bogue Banks Boogie was great fun; we had slightly fewer dancers but the dancing, calling and music were wonderful. Thanks to everybody who helped with planning, decorations, sounds, nametags, refreshments etc, it was all truly a team effort and was outstanding. Thanks especially to Phoebe for all of her organizational skills and efforts and to Jennifer for the cool nametags. Our profit from the dance was smaller this year so we will have to work harder to increase attendance at our Saturday night dances. As you can see from the schedule, we have some great bands and callers for this spring so if you have any ideas of how to draw in more dancers, more often, please join us for our Tuesday and Saturday night dances and to the Saturday night pre-dance potluck and share your thoughts!
